What is Superhero September?

Superhero September is a large scale event to raise funds for three Children's Assessment Centers in Michigan. The program originally started in Phoenix, Arizona, when a law enforcement officer made a connection with a severely abused child over a superhero toy. That connection allowed the LEO to get testimony needed for prosecution of his abuser. In response, Law Enforcement Officers took up a collection to provide Superhero-themed toys to children at the centers. In 2018, North Central Area Credit Union brought the concept to Michigan. through the credit union's "People Helping People" philosophy. Since 2018, NCACU has raised almost \$100,000 for three assessment centers serving children in Michigan.

Sponsors Make The Difference!

North Central will host, and provide manpower for, several events through the month of September that will benefit each center. Sponsor dollars benefit the center in the sponsor's service area. In other words, we do the work and our sponsors look like the hero!
